#### **Coverage Basis: Excess**

Benefits are payable for covered medical expenses that are not payable under any other health care plan. The amount from any other health care plan includes any amount, to which the Insured is entitled, whether or not a claim is made for the benefits. This Blanket Accident Insurance policy is secondary to all other insurance policies. If no other health insurance exists, benefits will be payable like primary coverage.

## **Accident Medical Expense benefits**

When a covered accident results in 1) treatment by a legally qualified Physician or surgeon (other than a member of the immediate family or person retained by the school) or 2) Hospital confinement, and treatment begins within 60 days from the date of the accident, the Company will pay the benefit as shown in the Schedule of Benefits. Only eligible medical expenses incurred by the Insured within 52 weeks from the date of the Accident are covered. Benefits for any one Accident will not exceed the Maximum Benefits stated in the Schedule of Benefits for the Plan purchased. Expenses incurred after one year from the date of the accident are not covered, even though the service is a continuing one, or one that is necessarily delayed beyond one year from the date of the accident.

### **Accident Death & Dismemberment benefits**

When a covered Injury results in any of the Losses stated in the Schedule of Benefits for Accidental Death or Dismemberment, then the Company will pay the benefit stated in the schedule for that Loss. The Loss must occur within 365 days after the date of the Accident. The maximum benefit as stated in the Schedule of Benefits under Maximum Benefits, is payable for the following Losses:

1) Life; 2) Both Hands or Both Feet or Sight of Both Eyes; 3) One Hand and One Foot; 4) One Hand and Entire Sight of One Eye; 5) One Foot and Entire Sight of One Eye. Half of the maximum benefit will be paid for the Loss of one Hand, one Foot, the Sight of one eye or the loss of Thumb and Index Finger of the Same Hand. Loss of Hand or Foot means the complete Severance through or above the wrist or ankle joint. Loss of Sight means the total, permanent Loss of Sight in One Eye. Loss of Sight must be irrecoverable by natural, surgical or artificial means. Loss of Thumb and Index Finger of the Same Hand means complete Severance through or above the metacarpophalangeal joints of the same hand (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body.

If the Insured suffers more than one of the above covered losses as a result of the same Accident, the total amount the Company will pay is the maximum benefit. Benefits are paid in addition to any other benefits provided by the Policy.

#### **Definitions**

A **Covered Accident** means a sudden, unforeseeable, external event that results, directly and independently of all other causes, in an injury or loss. The Accident must occur while the Policy is in force and while the Insured is covered under the Policy. **Usual and Customary** means the average amount charged by most providers for treatment, service or supplies in the geographic area where the treatment, service or supply is provided. Such services and supplies must be recommended and approved by a Physician.

### **Exclusions**
